

Montana *Designs*

- DOUBLE STOREY -

One of our favourite double-storey designs.

Our Montana range is a double storey design created for families who like wide-open spaces, whilst needing a design to fit on 'Zero' lots. If you are looking for designs with loads of storage, then look no further - this design is for you.

Luxurious, open and spacious are three keywords to best describe this home. On display at our newest location HomeWorld Box Hill and HomeWorld Marsden Park, you will be amazed at all this home has to offer. An entertainer's dream featuring large open galley style kitchen in the heart of the home, along with a separate study and media room. A huge walk-in pantry with powder room opposite the laundry gives you many necessities before you even head upstairs. The master bedroom features and mountainous ensuite together with not only a walk-in robe, but an additional robe for your convenience.

There are many reasons to be impressed with the Montana, open and spacious but also adaptable to suit the needs of today's ever-growing families, this range of designs is certainly one design that we are really proud of.

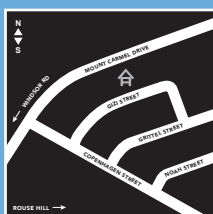

Have you heard about our 'Aspire' options? Simply choose which options you would like to add to your home. Take one, or take them all. These options have been created with you in mind, so you can build your home, your way to suit your lifestyle.

In choosing an Allworth Home you will have the benefit of 40 years master built experience. We have mastered the planning and building process, honed to a point, being recognised as one of the most efficient builders in New South Wales.

Whether your family is small or large, we understand that all customers are different and all have distinct lifestyle needs. With many home designs to choose from, you'll be sure to find what you are looking for at Allworth Homes.

Take a look through this brochure and talk to one of our friendly New Home Consultants about the Montana design range today.
