# Clever designs that really maximise living space

Take a look at the Carrington design range. Drawing it's inspiration from the successful Carlisle range, but created to maximise the living spaces for today's modern families.

With generous sized bedrooms, and large open-plan living spaces, the Carrington range gives modern families a variety of living / entertaining zones that is so important to many when deciding on the right design for your family home.

The Carrington range offers you a variety of options ranging from four bedrooms, five bedrooms, guest design with ensuite, mirrored designs and our 'Luxe' style which is gaining momentum in popularity.

As you continue through the brochure you will notice that we have illustrated this range to suit different land sizes that will show you what can suit your needs and wants, no matter what your budget is.

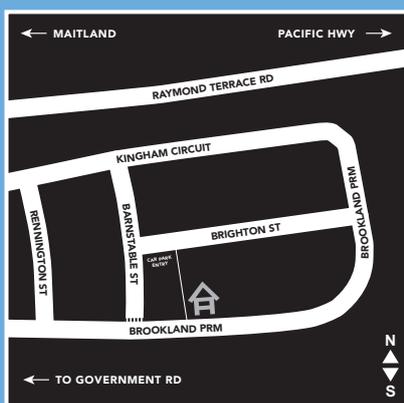

Have you heard about our optional 'Aspire' package? Simply choose which optional inclusions you would like to add to your home. Take one, or take them all. These options have all been created with you in mind, so you can build your home, your way to suit your lifestyle.

If you need something else to get excited about, the Advantage optional package includes \$5,000 to spend on your dream kitchen. How fantastic is that?

In choosing an Allworth Home you will have the benefit of 40 years master built experience. We have mastered the planning and building process, honed to a point, being recognised as one of the most efficient builders in New South Wales.

We understand that all customers are different and all have distinct lifestyle needs. With many home designs to choose from, you'll be sure to find what you are looking for at Allworth Homes.

Come in and talk to one of our friendly New Home Consultants about the Carrington range today.
